Other Services

Creative Design and Production

Our design team creates engaging visual concepts for your event, including décor, booth design, and custom designs.

Entertainment

We provide entertainment solutions to suit the theme and atmosphere of the event, including music, performing arts and specialty entertainment.

Guest Registration System

We offer online registration and guest management solutions to ensure events run smoothly and efficiently.

Digital Production

We continue to adapt technology, so that events are not only limited to offline, but can also be held online, even simultaneously or hybrid. Such as virtual conferences, webinars, online trade shows, digital concerts, online classes, and more.
